### **Popular Local Worship Leader Releases Contemporary Christian CD Unique Convergence of Sounds/Stirring Lyrics Encourage Celebration of God**

Germantown, MD – Popular local worship leader Jorge Suarez, coined “the best worship leader in Montgomery County,” announces the release of his newest CD, “Just to Think of You.” A striking convergence of gospel, tropical, rock, R&B, and heartfelt ballads, the release reveals the diversity of Suarez’s cultural background and his special relationship with God. A celebratory concert will be held on December 5<sup>th</sup> at Suarez’s home church, Church of the Redeemer, in Gaithersburg, MD, to launch the CD.

Featuring the title track, “Just to Think of You,” along with ten additional songs, the CD is intended not just to entertain but to inspire.

“In the last few years, I have experienced God’s grace in ways I never thought possible,” says Suarez. “I’ve learned that when we focus on Him and not on our circumstances, we will develop a passion to praise and worship Him for all He has already done for us. My hope is that the CD will truly speak to the hearts of all who listen to it, and take them from wherever they are in life and draw them to a closer relationship with God.”

A native of Santiago, Dominican Republic, Suarez’s music career was launched in 1985 when he won 2<sup>nd</sup> place at a National Christian Festival. The achievement awarded him the recording of his original single, “El Todo Cambiara,” which went on to become a Number One hit. In 1990, “answering God’s call,” Suarez moved to the United States with his wife, Danisa, and their two children. Five years later, he became the Director of Music for Gaithersburg, MD’s Church of the Redeemer, a dynamic church with a congregation of over 3,000.

In addition to his service as music director and worship leader, Suarez also directed the choir for the 1995 Promise Keepers’ Conference at RFK Stadium, which was attended by over 50,000 people, and assisted with the music for the “March of the Million” in Washington, DC that same year. He frequently leads the worship for the U.S. Senate Staff, working hand in hand with U.S. Senate Chaplain Dr. Lloyd Ogilvie.

“Jorge is a dynamic, energetic communicator who galvanizes an audience with his singing and his sincerity,” said Ogilvie. “Here’s a rising musical star!”

Suarez’s sincere desire is that “Just to Think of You” will encourage every listener to celebrate the Lord’s favor, His goodness, and His faithfulness.
